There are at present 102 inmates at used Doan's Kidney Pills, procured at the Soldiers' home at Bennington. The third, a Connecticut concern, desires to Drown's drug store and know that they health of the veterans has been unusuact just as represented. I gave a state- ally good for the past aix months. Not ment for publication several years ago, a death has occurred at the institution since the middle of last June. There have been 253 deaths at the home since it was established.

> Johnson was burned Sunday morning profitable to raise as are softwoods, besaved. The shop was used for the manufacture of supplies of wood only, including ten pins, wrench handles and a land now covered with hardwoods should quantity of small wares. The cause be changed into a softwood forest. This of the fire is unknown. It broke out in can only be done through a removal the top of the building.

> Mrs. Charles Butterfield of Stockbridge was burned to death Thursday, when trees of the desired species are left; in she started a fire with kerosene. When other cases it will have to be secured her clothing caught fire, she ran out by planting of doors and called for help, but no There is a one heard her cries, and when Mr. Butterfield returned from his work at night. his wife was lying on the floor unconscious, with her clothing burned off, state may be of great benefit, not only She lived until the next morning.

Fred Warren, who was thrown from the practice of forestry team in Burlington Tuesday evening, is at the Mary Fletcher hospital in a serious condition. Mr. Warren was drivhe dropped one line and, in reaching over covered Mr. Warren lying upon the He was unconscious for over severe cuts on the head, besides internal njuries, which it is feared will develop. He is a newcomer in Burlington and unwas unknown.

#### PLANT NEARLY COMPLETED

To Furnish Electritity From Enosburg to Montgomery Center.

Enosburg Falls, Dec. 21.-The new lynamo building at Samsonville, a hamlet in the northern section of the town of Enosburg, is nearly completed, and the electric system will soon be established from that place to Montgomery lenter, a distance of nine miles,

About November 1, 1910, the Domina Manufacturing Co., which had recently been incorporated under the laws of the state and whose offices are located in this village, four miles from Samsonville, began operations for the construction of one of the largest and most elab orate electrical light and power plants the Missisquoi river, with a fourfold object in view, viz.;

First, To obtain power sufficient to perate its large flouring mill recently nstalled.

Second, To furnish a street lighting system to Montgomery and Montgom ery Center, distant seven and nine miles, espectively, from Enosburg Falls,

Third, To furnish power to customers particularly farmers, along the line for he operation of all kinds of farm ma-Fourth, To obviate the difficulty which

oftentimes arises from low water, on other its milling interests or its electric ight system which was originally installed by J. M. Robb about twelve years

The electric light and power plant nder process of construction is of solid concrete. It is on the north bank of the river about 20 rods from the grist mill leased by S. L. Hurlbut and owned y the Domina Manufacturing Co. A water course or adequet now under construction will convey the water from the mills above to the upper end of the plant where it will be supplemented

y greatly increased force Excavations of the river bed have been nade to such an extent that below the southerly end of the plant the original level of the river has been lowered, imparting thereby still greater momentum to the waters as they leave the dynamo in their mad plunge down the river's

The present electric system furnishes light for Samsonville and East Berkshire, one and a half miles distant, but is inadequate for the purposes for which the power system is being installed.

### STATE OPTOMETRISTS.

Examiners Met in Burlington and Elected Officers.

Burlington, Dec. 21.-The annual busless meeting of the Vermont state board of examiners in optometry was held at hotel Vermont yesterday, sesions being held both morning and afternoon. No candidates appeared for examination and most of the time was spent in routine business and discussion of the work of the board.

H. F. Jordan of Brattleboro, who has been reappointed as a member of the board by Governor Mead, for another three years, was re-elected president, A. R. Slader of Rutland, treasurer, and A. B. Haskins of St. Johnsbury, was reelected secretary of the board,
